Adds effervescence to life

HEALTHY BODY MULTIVITAMINS

Effervescent Tablets Raspberry Flavour FOR KIDS

Vitamin A

helps form and maintain healthy teeth, bones, soft tissue, mucus membrane, and skin.

Vitamin C

is necessary for the growth, development, repair of body tissues and the immune system.

Vitamin D3

the "sunshine vitamin" helps body absorb calcium for healthy teeth and bones.

Vitamin E

is an antioxidant also known as tocopherol. It helps the body form red blood cells.

Pantothenic Acid

helps alleviate asthma, allergies, stress, respiratory disorders, and heart problems.

Vitamin B12

is essential for the metabolism of food and production of hormones and cholesterol.

Biotin

is essential for the metabolism of proteins and carbohydrates, and production of hormones.

Thiamine

helps change carbohydrates into energy and is essential for healthy heart and nerves.

Niacin

is a B vitamin that helps maintain healthy skin and nerves.

Vitamin B6

also called pyridoxine. helps form red blood cells and maintain brain function.

Folic Acid

works to help form red blood cells and is needed for the production of DNA.

Riboflavin

is important for body growth and the production of red blood cells.

Vitamin K

makes proteins for healthy bones and normal blood clotting.
